Technology, (ITM-CNR) in Rende, within the Research Project “Piano Operativo della Ricerca sull’Idrogeno (POR H2)”, funded by the European Community through NextGenerationEU - Accordo di Programma Ministero della Transizione Ecologica – ENEA, PNRR Ricerca e Sviluppo sull’Idrogeno 2022-2025, M2 C2 Investimento 3.5 (CUP B93C22000630006) linee di attività 1.1.6 e 1.1.7 responsible Dott. Alberto Figoli and Dott. Francesco Galiano. The activities will have the following theme: “Development of membranes for energy using more sustainable approaches” supervisors Dott. Alberto Figoli and Dott. Francesco Galiano.

Art. 2

Duration and amount of the Research Grant

The research grant will run for 12 (twelve) months and may be subject to extension or renewal in compliance with the legislation in force. The total duration of the relationships established with the holder of the grant and of the contracts of employment for fixed time subordinate referred to in art. 24 of L. 240/2010, also occurred with different universities, state, non-state or telematic, as well as with the Institutions referred to in art. 22, paragraph 1, of L. 240/2010, may not in any case exceed 12 years even if not continuous, even if not continuous, including all employment relationships, collaborations, research grants and scholarships; the time spent on maternity leave or for reasons of health will not be taken into consideration in the calculation, according to current legislation and the periods prior to the law 240/2010.

Any postponement of the start date of the research activity of the grant for research activities, or any disruption thereof, will be allowed in case of maternity or illness exceeding thirty days. The interruption of the activity part of the assignment of the grant for research activities that is justified under the foregoing provisions, shall entail the suspension of the payment of the amount of the grant for the period in which the interruption itself occurs, excluding the prevision of art. 13 of the disciplinary or other specific rules. The end date of the grant for the research activities will be extended by a period equal to the duration of the interruption.

The amount of the research grant, paid in 12 (twelve) monthly installments is set at **EUR 19.367,00 (nineteenthousandthreehundredandsixtyseven /00)** net of expenses in charge of CNR.

This does not include any remuneration for travels in Italy or abroad as may be necessary to carry out the research activities related to the grant. The emoluments of the travels are determined in proportion to that of employees engaged at the CNR at III professional level.

The grant recipient is covered by an insurance cumulative policy underwritten by the CNR.

The selected candidate will carry out her/his research activities in an autonomous manner, within the limits of the program prepared by the head of the research unit, without predetermined working hours.

Art. 3

Requirements for admission to the selection

To the selection may apply individuals who, whatever their nationality or age, are in possession of the following requirements at the date of expiry of the deadline for submission of applications:

- a) Degrees in Chemical Engineering, in Chemistry, in Chemistry and Pharmaceutical Technologies, in accordance with the legislation in force before DM 509/99 or Master's Degree (or equivalent) in accordance with the regulations referred to in DM 270/04, with professional resume suitable for the conduct of research according to the specifications given in the following points (the candidate is in charge, penalty of exclusion, of demonstrating equiparation of graduation diplomas);
- b) All qualifications obtained abroad (bechelor’s degree, and any other qualification) shall be previously recognized in Italy in accordance with current legislation (information on the website of

the Ministry of University and Scientific Research: www.miur.it. The equivalence of those diplomas obtained abroad who have not already been recognized in Italy with the expected formal procedure above, will be evaluated, with the only purpose of the present selection, by the Examining Committee constituted according to art. 6, paragraph 1 of the Regulations;

- c) Experience within the thematic as per art. 1 declared by the instruction in art. 4;
- d) English proficiency;
- e) Italian proficiency (only for foreign applicants).

Art. 4 **Applications and deadlines**

Applications, which must use the attached form (attachment A), should be sent to the Institute on Membrane Technology, ITM-CNR, exclusively by **Posta Elettronica Certificata – PEC to the email address: protocollo.itm@pec.cnr.it by the final deadline of September 09th 2024.**

Emails must have as subject: **ITM.ASS.015.2024.CS and the theme.**

Applications submitted after the deadline and incomplete applications will not be considered. Emails must contain a list of files sent. File names cannot contain special symbols as &%\$£!()?. Applications sent by email will be considered valid if the applicant is identified by the electronic system through the log-in information related to the personal account of Posta Elettronica Certificata – PEC.

Foreigner candidates can send the application via simple email to the email address: concorsi@itm.cnr.it and then sign it during the oral selection. To these applicants will be sent an email to confirm the receipt of the documents.

Applicants must produce a form of self-certification curriculum in PDF format to be completed in accordance with Art. 46 and 47 of Presidential Decree 445/2000 and subsequent amendments, and to this end they must use the attached form (attachment B), which testifies the truthfulness of the contents of the Curriculum Vitae, accompanied by a copy of a valid identity document (art. 76 DPR445/2000). The same identity document, with readable signature, should be presented at the oral selection. No other documents will be accepted.

In the curriculum the applicant will indicate personal facts and qualities, in particular she/he must analytically indicate studies, qualifications, publications in print and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activity, bringing the exact references for each indicated qualification.

The aforementioned declarations have to be analytically detailed and contain all elements needed for the selection, so that the examining commission could evaluate the titles to which they refer. All information furnished in a form different from what stated above will not be evaluated.

Auto-certification foreseen for Italian citizens apply to EU citizens (Article 3, paragraph 1 of Presidential Decree 28 December 2000, n. 445). Non-EU citizens resident in Italy can use the affidavits only in cases where facts and qualifications are certifiable or ascertainable by public or private Italian subjects.

The administration will perform suitable checks on the truthfulness of the declarations furnished under art. 71 of DPR 445/2000.

Applicants with disabilities, in relation to their disability, in the application to the selection must explicitly request the required support.

The applicant's products (e.g., technical reports, monographs, book chapters, and patents) that cannot be found on the internet or those that can be found on the internet but are not access free, should be sent by the applicant by e-mail.

The applicant must not produce any further documentation in accordance with art. 15 L. 183/2011.

The application must be accompanied in PDF format by the form (All. C), concerning the information on the processing of personal data provided pursuant to the Regulation (UE) n. 2016/679; the above-mentioned form must be filled in, dated and signed by the applicant with legible signature. All the communication regarding this call announcement will be sent to the PEC address of the candidates, CNR does not assume any liability for eventual disservice of web connection.

Art. 5 Exclusion from the Selection

Applicants are conditionally admitted to the selection.

The exclusion from the selection process for lack of requirements can be arranged at any time with a motivated order by the Director of the Institute. The exclusion will be communicated to the applicant.

Art. 6 Examining Committee

The Examining Committee shall be appointed by order of the Director of the Institute and is composed of three components, one of which will be the project manager, who may be internal or external to CNR, with profiles of researchers and experts in the field and two alternate members, internal or external to the Institute; the Director, if deemed necessary to activate the procedure of equivalence of qualifications obtained abroad, as in the last sentence of paragraph 1 art. 3 of the Regulations, may appoint, among the components of the Committee, a university professor. The functions of secretary may also be provided by a member of the Committee.

In the first meeting, the Committee will appoint its own President, and, if necessary, the component who will perform the functions of secretary.

The Committee may carry out the procedure also with the aid of videoconference tools.

The Committee shall conclude its work within sixty days after the deadline for submitting applications, except cases of motivated impossibility.

Art. 7 Selection procedure and Ranking

The Committee will make its selection by evaluating the qualifications and an interview. The Committee has a total of 100 scores, composed by 70 scores for the assessment of qualifications and 30 scores for the interview.

The Commission will declare the preliminary criteria and parameters which it will adopt, with specific reference to the characteristics of the research project. These criteria and parameters include the requirements for the type of grant of the selection such as assessment of the degree, of the diplomas and certificates of attendance of post-graduate qualifications, obtained in Italy and abroad, and of the research activities in public or private institutions, under contracts, grants or assignments of collaboration, both in Italy and abroad, in the manner stated in Article. 4.

The notice of convocation to the interview is sent to the candidates, through PEC at least 20 days before the interview day. In the convocation itself the applicant will find the indication of the score reported in the title's evaluation.

Following appropriate procedures, enabling public interviews, indicated by the CNR's ITM participants' interview may take place via videoconference.

After the interview, the Committee will compile a list of the examined applicants, giving the score each candidate obtained in the interview; the list, signed by the President and the Secretary of the Committee, is posted on the site of the examination the same day of the interview.

To be eligible to interview applicants must present a valid identity document. Applicants who are not present at the interview will be declared ineligible.

At the end of its work, the Committee shall prepare a report in which motivated judgments on each applicant are expressed, even in a synthetic form.

The committee forms the merit ranking in descending order with respect to the final score, according to the sum of the scores achieved in the evaluation of qualifications and the interview and indicates the winner/s. In case of equal ratings, the younger candidate is preferred.

The merit ranking will be approved by the Director of the Institute, and will be published by the same Director, to the notice board of the examination site and on the CNR website: www.urp.cnr.it and with all other forms of advertising provided for this notice of selection.

All applicants will be informed on the final results through a PEC message. It is not permitted the inclusion of appropriate candidates in the ranking. However, the Director of the Institute, after consulting the head of the research project, can replace one or more winners, who renounce the grant before using it, following the order of the merit ranking.

The National Research Council will not reimburse any expenses incurred by candidates for participation in the interview.

Art. 8

Formalization of the relationship and termination of the contract

Within 15 days after publication of the list, the Director of the Institute should submit to the winner/s of the selection, in two copies, the order of assignment of the research grant, in which, among other things, the starting date of the research will be mentioned. By the deadline of 15 days from the date of receipt of said notice, the winner/s of the selection must mandatorily return a copy of the said notice, countersigned for acceptance and a declaration that she/he/they is/are not under any of the impediments of Art. 3, paragraphs 3,4,5 and art. 4 c. 2.3 of the Specifications. Any delay in the beginning of the research can be justified only in cases provided for by art. 2 of this notice of selection or for reasons of force majeure duly substantiated.

The research grant cannot cumulate with scholarships provided by the CNR or other organizations and research institutions, except those granted by the CNR or national or foreign institutions, which serve to supplement the research activities of grant holders with visiting periods abroad. The holders of research grants may attend PhD courses that do not result in payment of scholarships.

Employees of the CNR with permanent or fixed term contract and permanent staff employed by other parties as indicated in art. 22, paragraph 1, of Law n. 240/2010 cannot apply.

The use of the research grant is not compatible with the ownership of employment relationships in the private sector and application involves the placement on leave without pay to the contractor/employee employed by public administrations.

According to Art. 22, paragraph 3, of the aforementioned law, the ownership of this grant is not compatible with participation in the undergraduate or master degree, PhD with scholarship or medical specialization schools, in Italy or abroad.

The contractor shall submit to the Director through PEC, within thirty days from the date of acceptance of the grant, the following documents prepared in accordance with the provisions of Presidential Decree 445/2000:

- a) self-certification, indicating date and place of birth, citizenship, political rights, education;

b) a declaration in lieu of affidavit, on ordinary paper, of not having been dismissed or retired from the Public Administration for persistent poor performance, and not having been revoked by another state employment for having achieved it through the production of false or invalid documents and that she/he was not disqualified from holding public office on the basis of res judicata;

c) Copy of fiscal code card (codice fiscale);

d) In case the winner is an employee of Public Administration, before beginning the research activity she/he must submit a copy of the order of placement on leave without pay.

Documents issued by the competent authorities of the State of which the foreign candidate is a citizen must comply with the provisions in force in that State.

The fellow who, after starting the planned activity, will interrupt it without justification, or will not carry it on regularly and continuously for the entire term, or is responsible for serious or repeated misconduct or, finally, proves not to have sufficient attitude, may be revoked, with motivated decision of the Director of the Institute, from the further reception of the payment of the grant.

The measure referred to in the preceding paragraph will be taken on the proposal of the Research Project Manager. If the grant recipient, on the grounds of personal reasons, cannot carry through the planned activities and decides to give up the grant in advance, she/he shall promptly inform the Director of the Institute and the Research Project Manager. It is understood, in this case, that the grant holder must return any amounts received and not due.

In the event that the funding fails, the Director of the Institute reserves the right not to confer or withdraw the allowance for reasons justified by the Scientific Manager or the Funding Agency. In the event of revocation, the Director will give notice of 15 days. In the case of activities already in progress, the instalment of the cheque will be paid up to the date of closure of the project.

Art. 9

Evaluation of the research activity

The research project manager and the grant recipient shall forward to the Director of the Institute before the expiry of the contract, a complete report showing the progress of research.

The Director will consider the report with reasoned judgment and at his own discretion. In case of positive evaluation, and at the request of the Research Project Manager, the Director will decide on the renewal of the grant and, in case, on the upgrade to the next highest amount for the type of grant referred to in this notice of selection. (Art. 9 c. 5 of the Regulations).

Art. 10

Privacy policy

The personal data provided by the candidates are processed for the purposes of managing this selection notice including the possible use of rankings and for the subsequent award of the cheque, as specifically indicated in the information contained in the form set out in Annex C).

The data will be processed by the National Research Council – Piazzale Aldo Moro n. 7 – 00185 Rome as Data Controller, in compliance with Regulation (EU) n. 2016/679 and Legislative Decree 196/2003.
